

Youth In Mission is an 8 week summer ministry opportunity for college and university students.

Youth In Mission (YIM) is an opportunity for college students everywhere to be involved in an extreme encounter with God and others through a short-term mission experience.

YIM is a place where students will have the chance to use their God-given talents in a variety of ways through ministry to others. This short-term experience points students to a different kind of lifestyle. In this ministry for the kingdom, students have the opportunity to sacrifice a summer for the radical involvement in a life lived with no regrets. Through our mission statement, annual themes, training, and commitment to service, our participants are reminded that only a life lived in total surrender to God can be lived with no regrets.

On the [Youth In Mission site](#) you will find more details about what opportunities are available and how to get involved.
